What learning activities are you engaged with during the strike? (Select all that apply)

	Courses that still remain open	Courses that are suspended
Syllabus directed course readings	<input type="checkbox"/>	<input type="checkbox"/>
Assignments as outlined in the syllabus and rubrics	<input type="checkbox"/>	<input type="checkbox"/>
Listening/watching recorded lectures	<input type="checkbox"/>	<input type="checkbox"/>

What learning activities are you engaged with during the strike? (Select all that apply)

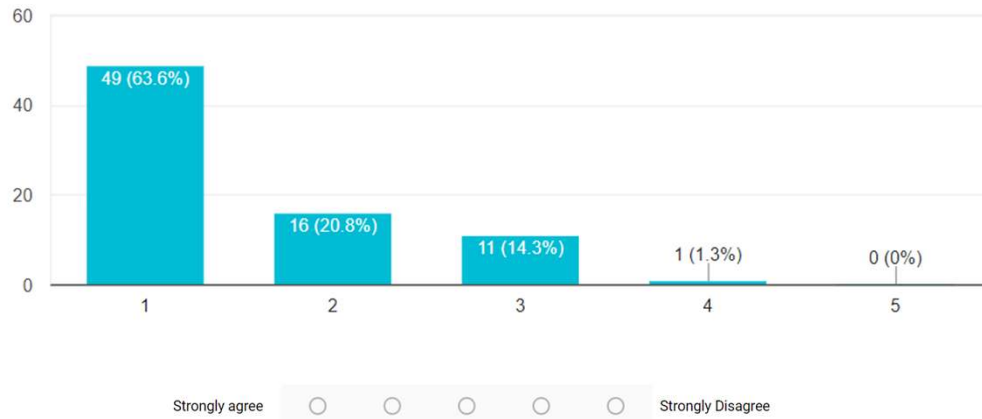

I feel conflicted when deciding whether or not to participate in course content (i.e. assignments, attending campus lectures, reviewing posted moodle material).

77 responses

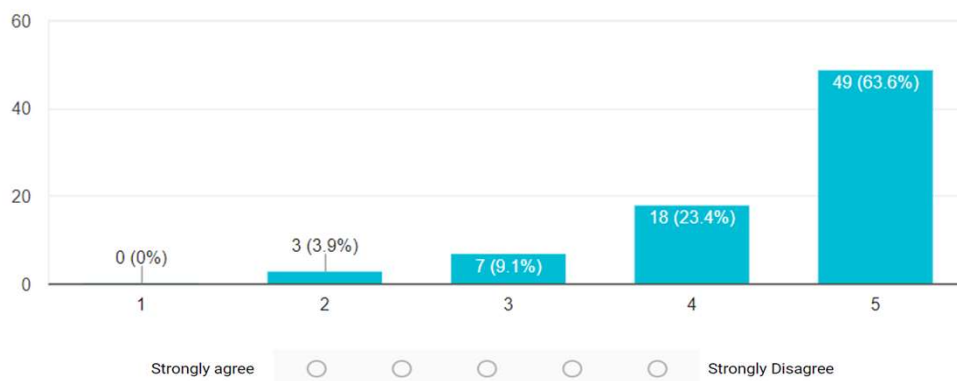

The strike will have a negative impact on the knowledge and skills I need to possess as an effective nurse. 

77 responses

The strike will have no impact on the knowledge and skills I need to possess as an effective nurse. 

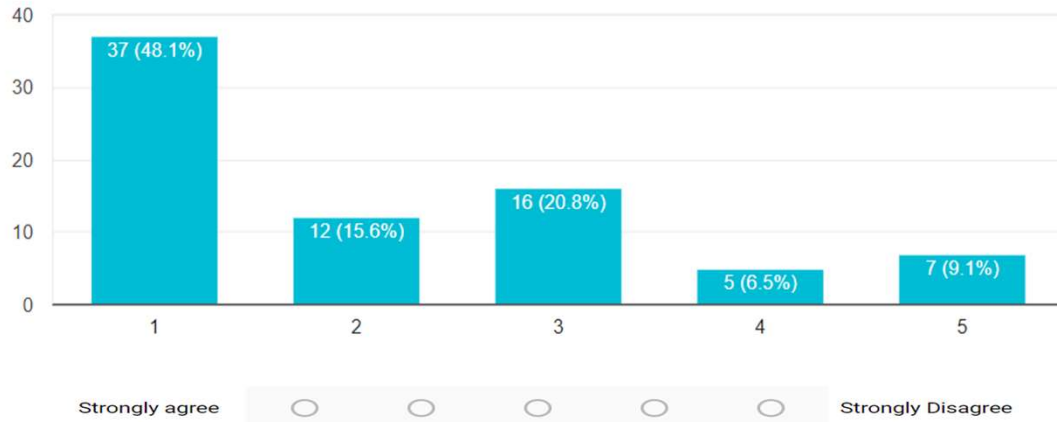

77 responses

I feel pressure to cross the picket line (either virtual, or physical).

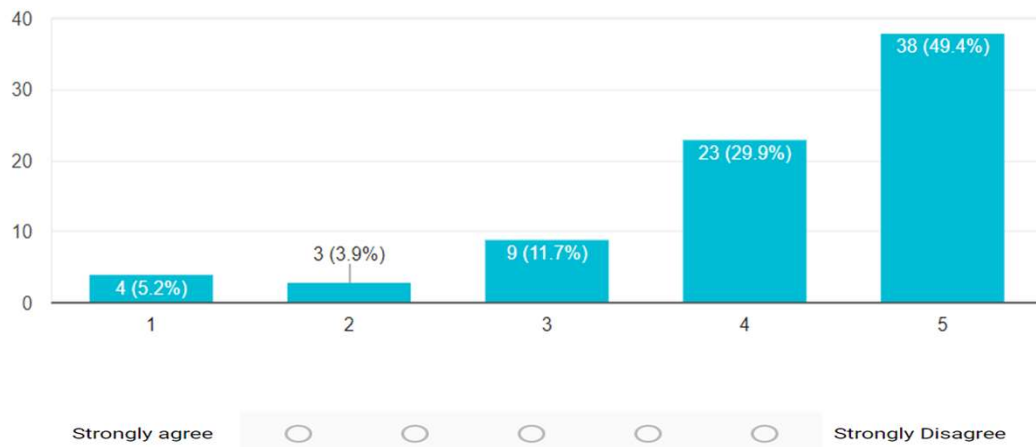

77 responses

I believe that remedial assignments have been clearly defined.

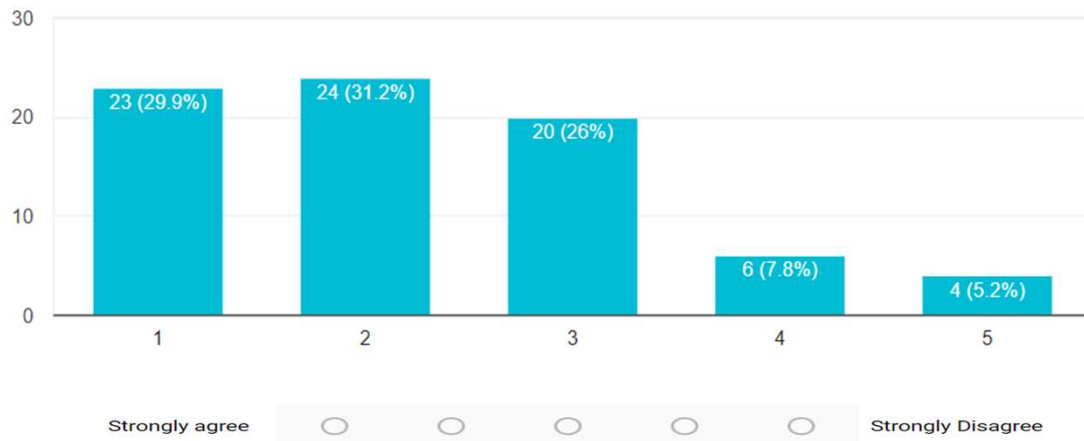

77 responses

I know my academic rights as a student.

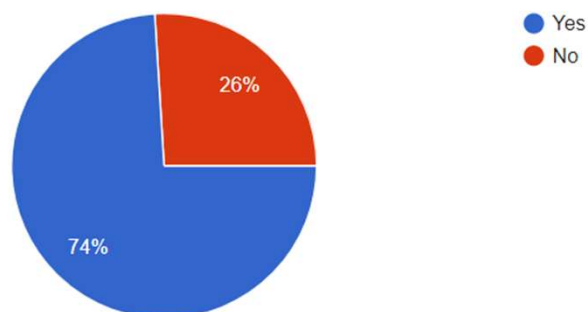

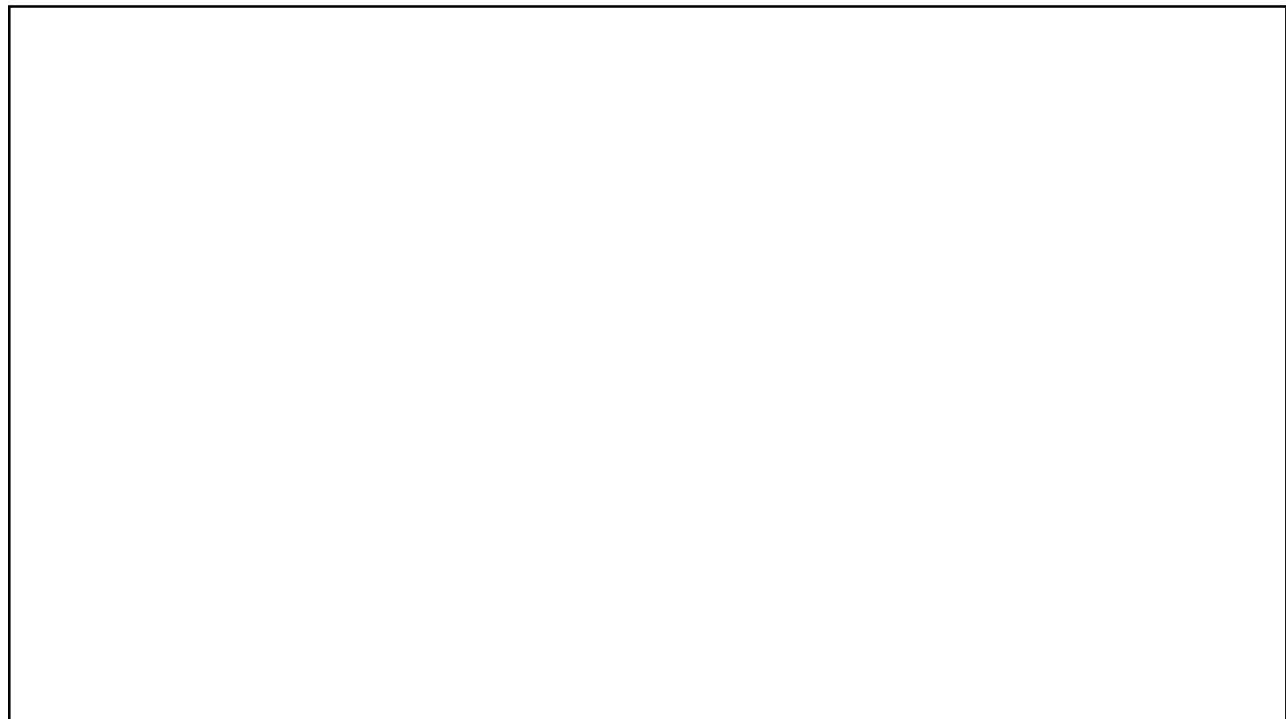

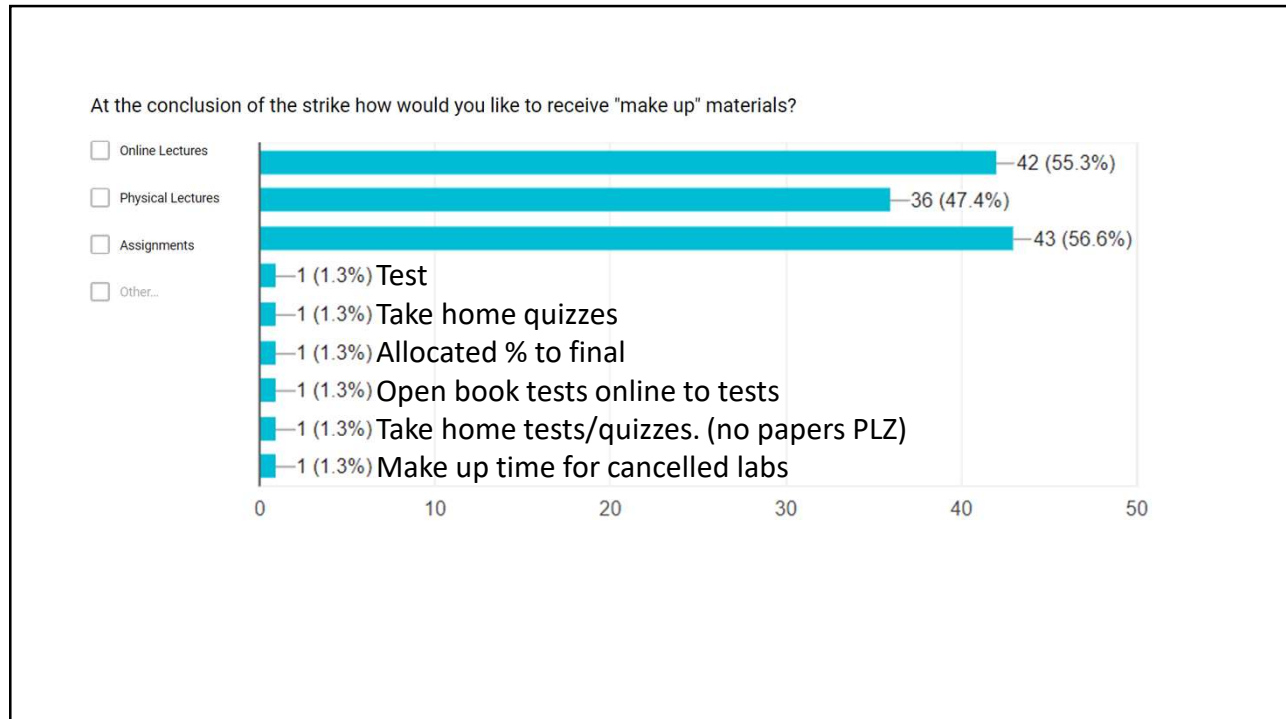

77 responses

Should all courses be put on hold when there is a strike?
